

**QMS006****Quality Policy**

At Electrogear Fareham Limited, we are committed to delivering high-quality manufactured products that meet or exceed our customers' expectations, comply with applicable statutory and regulatory requirements, and support our company's long-term success.

Our objectives are to:

- Ensure consistent quality in all manufacturing through effective planning, execution, and monitoring.  
*We will implement proactive and reactive controls, reviewed periodically for effectiveness.*
- Continually improve our Quality Management System (QMS) in line with ISO 9001 standards.  
*We will engage independent subcontractors to audit our processes and conduct regular KPI reviews internally in order to monitor and improve our QMS.*
- Invest in training to equip our workforce with the skills and knowledge needed to produce superior products.  
*We will maintain a skills matrix and support individual training plans.*
- Foster a culture of quality and accountability at all levels.  
*We will review work-in-progress regularly and provide staff feedback mechanisms.*
- Collaborate with suppliers and partners to uphold quality throughout the supply chain.  
*We will approve key suppliers and align with their quality requirements.*
- Use data and performance metrics to improve decisions, efficiency, safety, and customer satisfaction.  
*We will review KPIs monthly and act on insights gained.*

This policy provides a framework for setting and reviewing quality objectives. It is communicated to all employees, reviewed regularly, and underpins our commitment to excellence.
